FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2016 AND 2015

INDEPENDENT AUDITORS' REPORT

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of United Way of Rhode Island, Inc.:

We have audited the accompanying financial statements of United Way of Rhode Island, Inc. (UWRI), which comprise the statements of financial position as of June 30, 2016 and 2015, and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of Rhode Island, Inc. as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the Organization early adopted Accounting Standards Update (ASU) 2015-07, *Fair Value Measurement (Topic 820) Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or its Equivalent)* in the June 30, 2016 financial statements and has applied the accounting change related to this new Accounting Standards Update by applying it retrospectively to the June 30, 2015 financial statements. Our opinion is not modified with respect to this matter.

Dansiveri, Kindell ? Co., L.L.P.

Providence, Rhode Island November 7, 2016

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

United Way of Rhode Island, Inc. (UWRI) is a not-for-profit organization dedicated to "mobilizing the caring power of the community to improve the lives of people in need." UWRI works with its community and funding partners to identify the issues that matter most and respond to them by focusing resources on effective solutions.

Proceeds from UWRI Community Impact Fund are employed to reduce homelessness and increase the availability of affordable homes for working people; provide job skills and employment opportunities to low-skilled Rhode Islanders so they can earn a decent wage and better care for their families; and support children's success in schools and connect people to the services they need through *United Way 2-1-1 in RI*. UWRI collaborates with representatives from the business, government, labor, education and nonprofit sectors to identify the best solutions for our most challenging social issues and ensure that every investment and community initiative are monitored for ongoing effectiveness.

Contributions are obtained from local businesses, individuals, and charitable foundations. These funds are distributed to agencies and services as designated by donors or as allocated by UWRI.

Basis of Financial Reporting

UWRI prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Basis of Presentation

To ensure observance of limitations and restrictions placed on the use of the resources available to UWRI, the accounts of UWRI are maintained in three net asset groups as follows:

- Unrestricted net asset group includes funds which management and the Board of Directors of UWRI retain full control to use in achieving any of their organizational purposes. This group also includes board-designated net assets which represent unrestricted net assets that the Board of Directors has voluntarily placed restrictions thereon.
- Temporarily restricted net asset group includes funds restricted by outside sources, which may only be utilized in accordance with purposes and/or time periods established by the donor of such funds.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

• Permanently restricted net asset group - includes funds permanently restricted by outside sources, which require that the principal be invested in perpetuity and only the income be utilized by UWRI. Income may be utilized for unrestricted purposes or temporarily restricted purposes as established by the donor of such funds.

Receivables

Pledges

UWRI conducts annual fundraising campaigns. Any annual fundraising campaign pledges which remain outstanding after the subsequent campaign year are written off as uncollectible with the exception of those determined to be collectible.

The allowance for uncollectible pledges is determined based on historical campaign pledge loss experience and adjusted for current economic conditions. In addition, such allowance is based on an analysis of overall campaign pledges, including corporate gifts, individual gifts, and employee workplace campaigns.

Contributions

Contributions that are not from the annual fundraising campaign, including unconditional promises to give, are recognized in the period the contribution or promise is made. Conditional promises to give are not recognized until they become unconditional, that is when the conditions are substantially met. Unconditional promises expected to be collected in future years are recorded at the present value of expected future cash flows. The cash flows are discounted at a discount rate commensurate with the risks involved and at the date the promise was made. As of June 30, 2016 and 2015, all amounts are due within one year and, therefore, a discount was not required. When considered necessary, an allowance is recorded based on management's estimate of uncollectibility including such factors as prior collection history, type of contribution, and the nature of the fundraising activity.

Investments

Investments are valued at fair value, with the exception of the certificates of deposit which are carried at amortized cost which approximates fair value. Fair value is the price that would be received to sell as asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Interest income related to the certificates of deposit is reflected in the statement of activities and changes in net assets. Net realized and unrealized gains or losses are reflected in the statement of activities and changes in net assets.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

Property and Equipment

Property and equipment is recorded at cost or, if donated, at the fair market value at the date of the gift. Property and equipment is capitalized if the asset costs more than \$1,250 and has a useful life beyond one year. Property and equipment is depreciated using the straight-line method over the estimated useful lives. Amortization of leasehold improvements is computed over the lesser of the assets' useful lives or related lease term. Capital improvements in process represent costs associated with the acquisition of certain equipment which have not yet been placed in service. At such time that these assets are placed in service, they will be reclassified to equipment and depreciation will commence.

Campaign Designations Payable

In connection with the annual fundraising campaign, UWRI accepts assets from donors and agrees to transfer the assets to the beneficiary named by the donors. The named beneficiary must be a 501(c)(3) organization.

Community Impact Grants and Awards Payable

Community impact grants and awards payable are payable to various not-for-profit organizations. The contribution expense and related liability are recognized in the period the Board of Directors authorizes and commits to the recipient organizations.

Revenue Recognition

All contributions are considered to be available for use by the various programs and general operations of UWRI unless specifically restricted by the donor. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets. UWRI records contributions and investment income with donor imposed restrictions that are fulfilled in the same time period in which the contribution is received as unrestricted support.

Contributed Services

Contributed services are recognized if the services create or enhance nonfinancial assets, or require specialized skills and are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Contributed services are recorded at their estimated fair value at the date of receipt. For the years ended June 30, 2016 and 2015, contributed services meeting the aforementioned criteria were \$2,422 and \$4,364, respectively.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

Allocation of Indirect Costs

UWRI incurs certain indirect and supporting service costs which are allocated to various functional expense categories. These allocations are based upon the full-time equivalent (FTE) method and include the following expenses: executive compensation, occupancy, depreciation and amortization, information technology, human resources and organizational development.

Advertising

Advertising and promotional expenditures are expensed as incurred. During the years ended June 30, 2016 and 2015, UWRI incurred advertising and promotional expenses of approximately \$116,000 and \$129,000, respectively.

Tax-Exempt Status

UWRI is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code (the Code), as a charitable organization whereby only unrelated business income, as defined by Section 512(a)(1) of the Code is subject to Federal income tax. UWRI had no unrelated business income for the years ended June 30, 2016 and 2015. Accordingly, a provision for income taxes has not been recorded in the accompanying financial statements.

UWRI evaluates all significant tax positions. As of June 30, 2016, UWRI does not believe that they have taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months. UWRI's income tax returns are subject to examination by the appropriate taxing jurisdictions. As of June 30, 2016, UWRI's income tax returns generally remain open for examination for three years from the date filed with each taxing jurisdiction.

Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates made by management include the allowance for uncollectible pledges receivable, the fair value of mutual funds and fund held in trust by The Rhode Island Foundation, the estimated useful lives used to depreciate property and equipment, and the allocation of certain functional expenses. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

Recent Accounting Pronouncement

In May 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2015-07, *Fair Value Measurement (Topic 820) Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or its Equivalent)* which removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share as the practical expedient. Under the new guidance, investments measured at net asset value (NAV), as a practical expedient for fair value, are excluded from the fair value hierarchy is intended to eliminate diversity in practice that currently exists with respect to the categorization of these investments. The only criterion for categorizing investments in the fair value hierarchy will be the observability of the inputs. The ASU is effective for fiscal years beginning after December 15, 2016, with early adoption permitted. Management has elected to adopt this ASU early and has applied it retrospectively in the June 30, 2015 financial statements.

Subsequent Events

Management has evaluated subsequent events through November 7, 2016, which is the date the financial statements were available to be issued.

2. INVESTMENTS

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

4. FAIR VALUE MEASUREMENTS

Fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, U.S. GAAP established a fair value hierarchy that prioritizes observable inputs used to measure fair value into three broad levels, which are described below:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that UWRI has the ability to access at the measurement date.
- Level 2: Observable prices, other than quoted prices within Level 1, including:
 - Quoted prices for similar assets or liabilities in active markets.
 - Quoted prices for identical or similar assets or liabilities in markets that are not active, that is, markets in which there are few transactions for the asset or liability, the prices are not current, or price quotations vary substantially either over time or among market makers, or in which little information is released publicly.
 - Inputs other than quoted prices that are observable for the asset or liability.
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3: Unobservable inputs which are used when little or no market activity is available at the measurement date.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2016 and 2015.

Mutual funds: Valued at the daily closing price as reported by the fund. The mutual funds are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds are deemed to be actively traded.

Common stock: Valued at the closing price reported on the active market on which the individual securities are traded.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

Bonds: Valued using pricing models maximizing the use of observable inputs for similar securities.

Fund held in trust by The Rhode Island Foundation: Valued using the net asset value as a practical expedient to estimate fair value.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although UWRI believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

2016	Quoted Prices in Active Markets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	Total
Investments:				
Mutual funds	\$3,703,328			\$ 3,703,328
Bonds	¢0,,00,0 1 0	\$ 151,491		151,491
Common stock	435,509	· · · · · · · · · · · · · · · · · · ·		435,509
Total assets in the fair value hierarchy	\$4,138,837	\$ 151,491	\$ -	4,290,328
Investment measured at net asset value (a) - Fund held in trust by The Rhode Island Foundation				433,630
Total investments measured at fair value				\$ 4,723,958
2015				
Asset in the fair value hierarchy -				
Investments - mutual funds	\$ 114,979			\$ 114,979
Investment measured at net asset value (a) - Fund held in trust by The Rhode Island Foundation				950,820
Total investments measured at fair value				\$ 1,065,799

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

reconciliation of the fair value hierarchy to the line items presented in the statements of financial position and notes to the financial statements.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of June 30, 2016 and 2015:

	Fa	ir Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
2016 Fund Held in Trust by The Rhode Island Foundation	\$	433,630	n/a	*	*
2015 Fund Held in Trust by The Rhode Island Foundation	\$	950,820	n/a	*	*

*The Fund includes investments with redemption periods ranging from daily to greater than one year. In accordance with the instrument of transfer agreement that UWRI maintains with The Rhode Island Foundation, the Board of Directors of UWRI may request a distribution from principal provided that the fund balance does not fall below \$10,000.

The investment strategy of the Fund Held in Trust by The Rhode Island Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The fund is comprised of equity, fixed income, and alternative investments and is diversified across economic sectors, geographical locations and industries.

5. NOTE PAYABLE – BANK

In September 2013, UWRI executed a note payable with a bank in the amount of \$2,500,000. The proceeds from the note were used to finance the acquisition of land and a building. The note is collateralized by land, building and improvements and requires interest at 4.88%. The carrying value of the assets collateralizing the note payable is approximately \$2,900,000. The note required monthly payments of interest only through August 2015. In July 2014, UWRI began making monthly payments of principal and interest of \$11,230 which are payable through August 2023, at which time all outstanding principal and interest is due. Scheduled maturities on the note are as follows:

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

Fiscal Year Ending	Ā	Amount
2017	\$	33,612
2018		35,314
2019		37,101
2020		38,714
2021		40,938
2022 and thereafter		1,873,898
Total	\$ 2	2,059,577

In connection with the note payable to the bank, UWRI is subject to certain restrictive covenants, which require, among other things, a minimum debt service coverage and a loan to value ratio.

6. NET ASSETS

Unrestricted Net Assets - Board-Designated Purposes

The Board of Directors has voted to provide for the use of the following unrestricted net assets in accordance with the board-designated purpose as of June 30, 2016 and 2015:

	 2016		2015
Board-Designated Purpose:			
Community investment grants	\$ 1,553,620	\$	1,070,998
United Way 2-1-1 in RI	303,167		258,574
Endowment	335,237		852,427
Technology upgrades	103,480		-
Staff innovation	7,788		8,156
Internal operational reserve	334,371		278,005
Clay mine royalties replacement reserve	 1,068,771		725,609
Total board-designated	\$ 3,706,434	\$	3,193,769

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

Temporarily Restricted Net Assets

For the years ended June 30, 2016 and 2015, temporarily restricted net assets are available for the following purposes:

	2016		 2015
RI Good Neighbor Energy Program	\$	231,262	\$ -
RI Afterschool Plus Alliance (RIASPA)		205,661	162,239
Housing		151,500	-
United Way 2-1-1 in RI		100,000	100,000
CVS Tobacco for Youth Progam		66,324	66,324
Volunteer Income Tax Assistance		55,000	60,000
Various program grants and other		137,403	38,622
Basic Needs Grant Program		-	 125,000
Total temporarily restricted net assets	\$	947,150	\$ 552,185

Permanently Restricted Net Assets

Permanently restricted net assets as of June 30, 2016 and 2015 are restricted to investment in perpetuity. Such permanently restricted net assets amounted to approximately \$98,400 at June 30, 2016 and 2015. The income can be used to support general operations of UWRI.

7. AGENCY SUPPORT AND DONOR DESIGNATIONS

Donor-designated funds are those funds which a donor specifically states should be distributed to an agency, either directly or through their Philanthropy Account (commonly referred to as a P-Fund account). P-fund accounts are considered donor-advised accounts. P-Fund donors can periodically request UWRI to make distributions from their P-Fund accounts to specific agencies, including UWRI. UWRI must approve all requests for P-Fund account distributions to ensure that all requests comply with UWRI policies and procedures regarding charitable distributions.

Amounts undesignated by donors, as well as amounts designated for UWRI's Community Impact Fund, critical issue funds or special initiatives are distributed to agencies in the form of UWRI Community Investment grants.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

Total designated and allocated funds for the years ended June 30, 2016 and 2015 are as follows:

		2016		2015
Designated by donors Program grants and awards by UWRI (Community Impact Fund Grants, Summer Learning Initiative	\$	5,788,173	\$	5,908,543
Grants, and Special Initiative Grants and Awards)		5,061,230		5,250,779
Total	_\$	10,849,403	\$ 1	11,159,322

8. CONTRIBUTION INCOME FROM THE RHODE ISLAND FOUNDATION – ROYALTIES

The Rhode Island Foundation (the Foundation) has ownership rights to several properties in Georgia from which clay called "kaolin" is mined. The clay is mined by a company known as BASF (formerly Englehard). BASF pays royalty income to the Foundation for the mined clay. At its discretion, the Foundation then contributes the royalty income to UWRI. For the years ended June 30, 2016 and 2015, the Foundation contributed approximately \$814,000 and \$700,000, respectively, of such royalty income.

9. SPECIAL PROGRAM INCOME

Special program income is attributable to the following programs for the years ended June 30, 2016 and 2015:

	2016			2015
Rhode Island After School Plus Alliance	\$	415,218	\$	496,200
United Way 2-1-1 in RI		585,178		425,360
Aging and Disability Resource Center		207,342		243,124
State Employees Charitable Appeal		42,000		47,000
Volunteerism Grant		7,500		15,000
Federal Emergency Management Agency		-		11,571
Total	\$	1,257,238	\$	1,238,255

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

10. ENDOWMENT

UWRI's endowment includes both donor-restricted endowment funds and unrestricted funds designated by the Board of Directors to provide income for UWRI. As required by U.S. GAAP, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Board of Directors has interpreted State of Rhode Island Uniform Prudent Management of Institutional Funds Act (R.I. UPMIFA) to mean that the Board of Directors is to exercise prudence when appropriating for expenditure or accumulation of endowment funds and consider the uses, benefits, purposes and duration for which the endowment funds are established. As a result of this interpretation, UWRI classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, plus (b) the original value of subsequent gifts to the permanent endowment. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified according to the wishes of the donor or as established by the Board of Directors. When the donor has directed a specified use for investment earnings, the remaining portion of the endowment fund is classified as temporarily restricted net assets until funds are appropriated for expenditure by UWRI in a manner consistent with the standard of prudence prescribed by R.I. UPMIFA. In accordance with R.I. UPMIFA, UWRI, in making a determination to appropriate or accumulate, shall act in good faith, with the care that an ordinary prudent person in a like position would exercise under similar circumstances and consider, if relevant, the following factors:

- The duration and preservation of the endowment fund;
- The purposes of UWRI and the endowment fund;
- General economic conditions;
- The possible effect of inflation or deflation;
- The expected total return from income and the appreciation of investments;
- Other resources of UWRI; and
- The investment policy of UWRI.

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or R.I. UPMIFA requires UWRI to retain as a fund of perpetual duration. As of June 30, 2016 and 2015, there were no such funds with deficiencies.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

Return Objectives and Risk Parameters

UWRI has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that UWRI must hold in perpetuity or for a donor-specified period(s) as well as board-designated funds. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results over time, to provide an average annual rate of return that is in the top twenty percent as compared to the annual rate of return of other institutional endowments.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, UWRI relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). UWRI utilizes an independent financial trustee to achieve these objectives.

Spending Policy and How the Investment Objectives Relate to Spending Policy

UWRI has a policy of only appropriating for distribution the amount the independent financial trustee distributes to them annually. In establishing this policy, UWRI considered the long-term expected return on its endowment. Accordingly, over the long term, UWRI expects the current spending policy to allow its endowment to grow at an average of 4 percent annually. This is consistent with UWRI's objective to maintain prudence when appropriating for expenditure from donor restricted endowment funds and to provide additional real growth through new gifts and investment return.

Endowment Net Asset Composition by Type of Fund as of June 30, 2016:

	Un	restricted	nporarily estricted	rmanently estricted	 Total
Donor-restricted endowment funds Board-designated	\$	-	\$ -	\$ 98,393	\$ 98,393

11. EMPLOYEE RETIREMENT PLAN

UWRI maintains a defined contribution retirement plan which covers all employees who have worked at least 1,000 hours and for at least one year. Contributions to the plan range from 3% to 6% of an employee's salary depending on years of service. Contributions made by UWRI were approximately \$71,000 and \$74,000 for the years ended June 30, 2016 and 2015, respectively.

12. COMMITMENTS

UWRI leases certain office equipment under operating lease agreements, expiring at various dates through June 2019. As of June 30, 2016, the approximate future minimum lease payments required in accordance with these lease agreements are as follows:

Fiscal Year	<u> </u>	mount
2017	\$	30,000
2018		25,000
2019		13,000
Total	\$	68,000

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

For the years ended June 30, 2016 and 2015, rent expense under all operating leases amounted to approximately \$30,000 and \$31,000, respectively.

13. CONCENTRATIONS OF CREDIT, MARKET AND INTEREST RATE RISK AND MAJOR DONOR

Credit, Market and Interest Rate Risks

Financial instruments which potentially subject UWRI to concentrations of credit risk consist principally of cash and certificates of deposit.

UWRI maintains deposit accounts, including cash and certificates of deposit, at a number of financial institutions. The Federal Deposit Insurance Corporation (FDIC) provides insurance covering all deposit accounts per depositor and per insured bank, of up to \$250,000. At various times, UWRI's deposit accounts held at any given financial institution may exceed the FDIC insurance limit. Management considers this to be a normal business risk. As of June 30, 2016, UWRI's deposit accounts at various financial institutions exceeded the FDIC insurance limit.

UWRI's investments consist of a diversified portfolio of various investment vehicles including certificates of deposit, mutual funds, bonds and common stock. These investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term. Management believes the diversity of the portfolio minimizes the risk of loss.

Major Donor

Contributions from The Rhode Island Foundation, including income from The Rhode Island Charities Trust and clay mine royalties, represented approximately 32% of total revenues, gains and other support for each of the years ended June 30, 2016 and 2015.

14. SUPPLEMENTAL CASH FLOW INFORMATION

For the year ended June 30, 2016 and 2015, UWRI approximate cash payments for interest were \$103,000 and \$105,000, respectively.

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2016 AND 2015

The accompanying statement of cash flows for the year ended June 30, 2015 excludes the effect of the following non-cash investing and financing activities related to the acquisition of land and a building as follows:

Execution of a note payable to a bank	\$ 2,500,000
Removal of capital lease and other obligations	(977,000)
Reclassification of property under capital lease	585,000
Non-cash amount related to acquisition of land and a building	\$ 2,108,000
