---

There are many ways we make a difference in the lives of others. It can be as simple as a smile or as impactful as a Saturday volunteer project. When you give to United Way, you join a community of caring individuals who are making Rhode Island stronger and more equitable for every one of us.

## YOU

You are a hand-raiser who wants to make a difference in our community.

## INVESTMENT

Your donation to United Way's Community Impact Fund supports local nonprofits working on issues such as housing, job training, and afterschool programs. Together, we'll continue to address the most critical problems facing our community.

## UNITED WAY

United Way is uniquely positioned to identify the needs of Rhode Islanders. How? Through calls to 211. Last year 211 received 170,860 calls from people you see every day — neighbors, co-workers, friends, and family members.

## IMPACT

When people need help, United Way is there. Your gift makes a lasting impact on individuals and families throughout the state.

# Give now.

---

Thanks to the kindness of Rhode Islanders like you, we're moving in the right direction. Even so, there's still more work to do.

**Join us – because together, change is possible.**
