If you're like me, you can probably find \$1 worth of change in the couch. While it may not seem like much – donating \$1 a day can feed a RI family for an entire month. Join me in helping local families. <https://www.uwri.org/take-action/give/community-impact-fund/>

For just \$3 a day, the cost of a breakfast sandwich, you can help RI families avoid eviction by providing them with emergency rental assistance. Join me in supporting @LiveUnitedRI and let's help local families stay home. <https://www.uwri.org/take-action/give/community-impact-fund/>

DYK? For \$20 a day, the cost of a large specialty pizza, you can send one RI child to a summer learning program. What's more, your support gives that young RI'er a much better chance of graduating high school. So, skip the pizza and join me in supporting @LiveUnitedRI.

@LiveUnitedRI is passionate about helping RI'ers by funding much needed services, such as afterschool learning programs and utility assistance, as well as providing one number to call for help: 211. Here's our chance to make a difference... let's take it, together.
