

VOLUNTEER OPPORTUNITY

Peace Crane Project

According to Japanese legend, if you make 1,000 cranes, your wish will come true.

Our wish is to create a “new better” for Rhode Island — starting with you.
Here’s how you can help:

- Think about your hopes and dreams for our state.
What do you want the future R.I. to look like?
- Write your hopes and dreams on origami paper.
- Fold the paper into cranes (instructions provided).
- Mail the completed cranes to United Way.

The project will continue until we reach the 1,000 cranes necessary to make our wishes come true. Then, we’ll invite you to join us for a virtual installation of cranes (TBD).

Contact volunteer@uwri.org to set up your Peace Crane project.
