

WORKPLACE CAMPAIGNS

We're proud to partner with companies and organizations across the state in support of our mission for a more just and equitable state for all. Most complement their giving with a workplace giving program. Many also work with our volunteer engagement team to engage employees in meaningful team-building activities. Others work with us to craft comprehensive corporate social responsibility programs.

Starkweather & Shepley has received United Way's Partners United Award.

For 25 years, the company has hosted an annual United Way campaign, raising nearly \$1 million in support of initiatives and programs that help improve the lives of Rhode Islanders. Additionally, the Starkweather & Shepley Charitable Fund has awarded more than \$300,000 in grants to local charities – with a particular focus on those that serve children – since 2010. Each year, the company participates in United Way's Annual Children's Book Drive, with employees giving generously of their time as volunteers across the state.
