If you're like me, you can probably find \$2 worth of change in the couch. While it may not seem like much – donating \$2 a day can feed a RI family for an entire month. Join me in helping local families. <https://www.uwri.org/take-action/give/community-impact-fund/>

For just \$3 a day, the cost of a small coffee and a donut, you can help RI families avoid eviction by providing them with emergency rental assistance. Join me in supporting @LiveUnitedRI and let's help local families stay home. <https://www.uwri.org/take-action/give/community-impact-fund/>

DYK? For \$20 a day, the cost of an extra large pizza, you can send one RI child to a summer learning program. What's more, your support gives that young RI'er a much better chance of graduating high school. So, skip the pizza and join me in supporting @LiveUnitedRI. <https://www.uwri.org/take-action/give/community-impact-fund/>

[@LiveUnitedRI](#) is passionate about helping RI'ers by funding much needed services, such as afterschool learning programs and utility assistance, as well as providing one number to call for help: 211. Do you believe that all children deserve a well-rounded education? I do – it's why I support @LiveUnitedRI. They help by investing in summer learning and afterschool programs. Join me in helping young RI'ers achieve their dreams. <https://www.uwri.org/our-work/what-we-do/lifelong-learning/>
