---	----------	-------------	----------------

Dear Jennifer,

When you LIVE UNITED, more youth and adults can reach their goals. That's why we believe in providing opportunities for Rhode Islanders.

We're committed to helping our friends, family and neighbors to have safe, affordable homes and saving more of the money they earn while leading healthy lives.

Thanks to you, last year United Way was able to help:

- 26,070 Rhode Islanders with housing, food, and healthcare.
- 2,763 adults with job training, as well as financial stability, and one-on-one financial coaching.
- 16,900 people with free income tax preparation.

When you give to United Way of Rhode Island, you join a much larger team – one dedicated to investing in proven programs that bring real results. Even more, you'll begin to see change in your own community. ALL WE NEED IS YOU.

Please make a gift to United Way's Community Impact Fund

United Way of Rhode Island's fundraising costs are covered by the In-Civitas Trust – our supporters are reassured that 100% of the money they donate to the Community Impact Fund helps proven programs in Rhode Island.
