

# WORKPLACE CAMPAIGNS

We're proud to partner with companies and organizations across the state in support of our mission for a more just and equitable state for all. Most complement their giving with a workplace giving program. Many also work with our volunteer engagement team to engage employees in meaningful team-building activities. Others work with us to craft comprehensive corporate social responsibility programs.

**Blue Cross & Blue Shield of Rhode Island (BCBSRI) has received United Way of Rhode Island's Partners United Award.**

BCBSRI has partnered with United Way for over 25 years, committing almost \$5 million to help build a more equitable Rhode Island. They run a robust workplace campaign and have a special group of employees, Club United, who donate to United Way. BCBSRI also has a vigorous employee volunteer program called Blue across Rhode Island. The program grants funds to local nonprofits and sends volunteer teams to sites across the state each spring.
