Our funding supports the LIVE UNITED 2025 strategic plan which guides United Way of Rhode Island’s work in four focus areas:

Lift United: Through our Lift United pillar, we’re investing in affordable housing, improving care coordination, and expanding access to adult education and job training. We’re also supporting the growth and stability of women- and minority-owned businesses.

Achieve United: Through our Achieve United pillar, we’re working to ensure that all Rhode Island children walk into the classroom with the tools to learn. This includes increasing literacy levels and expanding access to afterschool and summer learning programs.

Invest United: Through our Invest United pillar, we’re building nonprofit resiliency and leadership development. We’re also empowering donors, engaging corporations, and connecting Rhode Islanders with volunteer opportunities.

Advocate United: Through our Advocate United pillar, we’re driving systemic change through public policy and research. And, because democracy isn’t a spectator sport, we’re training Rhode Islanders to be advocates and working to increase voter turnout

Our Mission: Uniting our community and resources to build racial equity and opportunities for all Rhode Islanders.
