

# WITH GRATITUDE

The work of United Way of Rhode Island is made possible by the incredible network of donors, volunteers, and partners. We are grateful for their generosity.

## WORKPLACE CAMPAIGNS

We're proud to partner with companies and organizations across the state in support of our mission for a more just and equitable state for all. Most complement their giving with a workplace giving program. Many also work with our volunteer engagement team to engage employees in meaningful team-building activities. Others work with us to craft comprehensive corporate social responsibility programs.
